

Contract Opportunity

12 February 2025

Project Management of Roof Upgrade and Solar Project

Project Manager: Roof Upgrades and Solar Energy System

The Klondike Visitors Association (KVA) invites applications to provide Project Management services for the delivery of roof upgrades and a turn-key solar energy system at Diamond Tooth Gerties Gambling Hall.

Timeline

Immediate – 31 December 2025

Scope of Work

The Project Manager will be responsible for:

- Recruitment and management of contractors for structural engineering and roofing upgrades.
- Coordination and oversight of contractors for solar array and auxiliary fixtures installation.
- Administrative responsibilities including preliminary planning, submissions of all permits and licenses, ongoing project reporting, and final project reporting in compliance with prevailing KVA and relevant funding guidelines.

Application Requirements

- Submission method: Email only.
- Provide hourly rate and estimated total project hours
- Demonstrate relevant experience managing similar projects
- Please request Scope of Work and Contract Conditions for full details

Contact and Submission Details

All requests and applications must be submitted by **Wednesday 19 February 2025, 430pm** to:

Email: [kva\(at\)dawson.net](mailto:kva(at)dawson.net)
